

Hi everyone, welcome to our June 2011 newsletter to keep you up to date on what has happend at Moorvue, we hope you enjoy reading it.

We are very grateful that we have obtained the grant for improvements to Moorvue and we started work on this a couple of months ago. We started with the renovation of an old work shop which will be for Metal Work. New roof and electrics have been completed and the fronts of existing sheds have been clad in green sheets which blend in nicely with the new roof of the centre building. We are awaiting new roller doors to be fitted.

As part of the grant we will soon be building a new larger computer room to accommodate 14+ computer stations this will replace our existing computer room which only accommodates 8 computer stations.

We have finished our new kitchen area in our classroom. All electric's have been completed and tiling etc. We are now awaiting new flooring which will really make the room look smart.

We would like to welcome as new Students or existing students who are attending extra days:

John, Jemma, Sue, Andrew, Daniel, Scott and Stephen.

We still have limited availability on most days. If you would like to attend Moorvue than please contact us on the details below

CORNWALL COLLEGE. We are really pleased to welcome back Jo Crocker, Tutor from Cornwall College and her teaching assistants Kim, Vicki and Clare. Jo will be teaching the following:

Monday	Tuesday	Wednesday	Thursday	Friday
Computers (IT) Digital Photography, taking photos, uploading photos. Designing and making indoor team games on the computer and playing them.	Animal Care General care of all animals at Moorvue, feeding and cleaning.	Horticulture General gardening tasks, sowing seeds, planting up, cuttings, harvesting.	Arts and Crafts Mosaic mirrors, Pom Poms, Bonfire night, Halloween, Christmas and Easter themes, Collages.	Animal Care General care of all animals at Moorvue, feeding and cleaning.

As part of the curriculum the following subjects will be introduced to add interest and life skills.

**Keep Fit
